# One-Day Conference on Investment Bazaar for Energy Efficiency

Telangana State Renewable Energy Development Corporations Limited, Government of Telangana in association with Bureau of Energy Efficiency, Ministry of Power, Govt. of India organized a one-day Conference on 'Investment Bazaar for Energy Efficiency' on 19th September 2022 at The Park, Somajiguda, Hyderabad.

**Investment Bazaar:** A conference, which will bring together all the stakeholders viz., ESCOs, Financial Institutes, OEMs, Industry and Government officials under one platform to deliberate and share best practices in Energy Efficiency and financing options for Energy Efficiency Projects.

**Objective of Investment Bazaar:** In nutshell, Investment Bazaar is a conference which provides a one-stop platform for all stakeholders to interact.

- The objective of this event is to provide the necessary platform in which bankable energy efficiency projects can be showcased in presence of Financial Institutions, OEMs, industries, ESCOs etc.
- This event shall facilitate in creating the awareness among industry stakeholders on different financing schemes, EE product/services, ESCO mode of implementation of EE projects.

The main aim of the event was to create the awareness among all the stakeholders viz., ESCOs, Financial Institutes, OEMs, Industry and Government officials on different financing schemes, EE products/services, ESCO mode of implementation of EE projects.

## Inaugural Event

The conference and exhibition were inaugurated by the Hon'ble Joint Director, Bureau of Energy Efficiency Govt. of India, **Sri P. Shyam Sundar**; Chairman, TSREDCO, **Sri. Y. Satish Reddy**; Vice Chairman & Managing Director, TSREDCO, **Sri. N. Janaiah**; Manager, Power Finance Corporation (PFC) **Sri. Piyush Dutt Pandey** in the august gathering of more than 85 participants from various DCs, Industries, MSMEs, OEMs, various Industry associations etc.

Financing in the field of Energy Efficiency projects has been found as a major tool to accelerate EE projects undertaken by industries. Recognizing and acknowledging this fact, this one-day conference organized to address the following:

1. To enhance investments in the projects of energy efficiency.
2. To overcome barriers and myths related to funding of EE projects.
3. To highlight the practical problems and to address them with collective

## One-Day Conference on Investment Bazaar for Energy Efficiency

deliberations of all stakeholders.

4. To stimulate the market dynamics in the field of Energy Efficiency and make it more market oriented.
5. To bridge the communication and knowledge gap between project implementers and funding agencies.

The bankers / NBFCs have been invited to put their stalls at the venue for showcasing their financing products available for EE projects.

As per BEE's UNNATEE study, there is potential of Rs. 1 lakh crore annual investments in energy efficiency. The major aim of this investment bazaar is to bring all the stakeholders of Energy Efficiency at one place to increase the business in energy efficiency measures & technologies and accelerate energy efficiency financing.

## One-Day Conference on Investment Bazaar for Energy Efficiency

### Speaker Highlights:

**Sri. N. Janaiah Vice Chairman & MD, TSREDCO** has emphasized upon importance of energy efficiency & implementation of new and innovative energy efficient technologies in Industries & MSME in the State. He also focused over the investment potential in Industries & MSMEs which can enhance the infrastructure at the state level. He stressed upon the saving of energy through new energy efficiency technologies for industry, transport, buildings, and agriculture sectors.

In addition, he mentioned that various energy efficiency initiative taken by TSREDCO especially street light programs, DSM projects. He also put his views for the waste heat recovery capacities of the state.

## One-Day Conference on Investment Bazaar for Energy Efficiency

**Sri. Y. Satish Reddy Chairman, TSREDCO** thanked the BEE for their support in organizing various programs of Energy Efficiency and Energy Conservation.

He emphasized that Telangana is the first state in India to adopt and implement Energy Conservation Building Code (ECBC) for Commercial Buildings with the innovative framework. As a result, around 600 buildings are compiled to ECBC standards with an estimated energy savings of 370 million units. Government has also initiated mandatory Code for addressing the residential buildings called as Eco Nivas Samhita.

He mentioned that state has saved 0.24 Mtoe of energy during the first two PAT cycles and Telangana is the only state in India providing 24 hours uninterrupted and reliable power to all the consumers. It is also the only state in India providing 24 X 7, 3 phase free power supply to the agriculture needs. In addition, he focused on the state Government's initiative to install LED street lights in gram panchayats of Telangana.

At the time of formation of Telangana state in 2014, Renewable energy capacity was around 70 MW. Now the RE capacity is increased to 5400 MW as on date. This achievement is mainly because of the state Government's commitment by encouraging the sustainable practices in power generation.

## One-Day Conference on Investment Bazaar for Energy Efficiency

**Sri. P. Shyam Sundar, Joint Director BEE** has emphasized on the FINANCING INITIATIVES OF BUREAU OF ENERGY EFFICIENCY (BEE) and BEE has been promoting energy efficiency policies through umbrella programs such as Star Rating of Appliances, National Mission for Enhanced Energy Efficiency, Energy Conservation building codes, Demand-side Management.

**Sri. Piyush Dutt Pandey, Manager (Projects) PFC** mentioned the various initiatives taken by Power Finance Corporation and its special focus on the area of energy efficiency in Power sector.

## Launching of BEE's Facilitation Centre Brochure for Energy Efficient Technologies

BEE's Facilitation Centre Brochure for Energy Efficient Technologies Launched at the program to facilitate the new 76 Energy Efficiency technologies.

BEE has set-up a Facilitation Centre for encouraging and up-scaling Energy Efficiency Financing in the country.

The objective of the Facilitation Centre is to:

- Collect the willingness forms and spread awareness of BEE's financing schemes among various beneficiaries like large industries /DCs under the PAT Scheme of BEE, MSMEs, Commercial and Institutional buildings, Municipalities, Corporations, and Commercial establishments.
- Prepare the list of Energy Efficient (EE) Technologies; and
- Develop an Online Platform for mobilizing EE financing in the country.

BEE has on boarded M/s Darashaw and Company Private Limited as consultant for setting up this Facilitation Centre.

# One-Day Conference on Investment Bazaar for Energy Efficiency

**Vote of thanks:**

Vote of thanks was given by **Sri T Srinivasulu DGM (Technical), TSREDCO** who thanked all the guests for their valuable speech and participants across all four pillars of the program FIs, ESCOs, OEMs and DCs/MSMEs for the active participation in the Investment Bazaar Conference.

## Technical Session

### **BEE's Financing Initiatives for Energy Efficiency**

Mr. P Shyam Sundar, Joint Director, Bureau of Energy Efficiency highlighted various schemes of BEE and potential of investment in energy efficiency in industries & MSMEs. He also focused on training programs provided by BEE to financial institutions on EE financing. Brief about the EEF of BEE and its outline. He emphasized on the Panchamrit Mantra, which has been assured by Hon'ble PM Shri Narendra Modi to the United Nations.

He mentioned about the recently launched new financing program for grading of energy efficiency projects where cost of grading for first 100 bankable projects shall be borne by BEE.

Responding to the questions of the participants, he said that the cost of the first 10 projects will be reimbursed by BEE whether it is bankable or not.

# One-Day Conference on Investment Bazaar for Energy Efficiency

## Energy Efficiency Financing schemes

**Mr Piyush Dutt Pandey, Manager Projects from PFC** shared his views on Financing schemes available for Power industries. Ministry of Power has appointed Power Finance Corporation (PFC) as nodal agency for accelerating energy efficiency financing in India. BEE and PFC are in process of rolling out new financing mechanisms such as interest subvention and credit guarantee schemes, subject to approval of Ministry of Power. Though power is the focus sector for PFC, PFC funds projects in cogeneration, tri-generation, combined heat & power, waste heat recovery systems, Electric Vehicles, lift irrigation, sewage treatment plant, smart city, electrification of railways, airports.

The following topics were discussed:

- Funding Area for PFC
- Product Portfolio of PFC
- Why to choose PFC
- Eligibility criteria for Energy Efficiency Funding by PFC
- Criteria & Financing Domains for Energy Efficiency Funding

## One-Day Conference on Investment Bazaar for Energy Efficiency

### Energy Efficiency Financing schemes available for large industries by IREDA

**Mr. K.P. Philip, Addl. GM from IREDA** shared their schemes and fast approval of loan schemes for MSME & Industries in renewable energy projects. The following topics were discussed:

- Operational Areas for IREDA.
- Industries supported under EE.
- Financing Norms along with Security conditions & Special Initiatives taken by IREDA.
- Eligibility Criteria for Financing & Project appraisal criteria.
- Issue in EEF & possible business model for EEF.

# One-Day Conference on Investment Bazaar for Energy Efficiency

## Energy Efficiency Financing schemes available for MSMEs

**Mr. RVR Prasad DGM, SIDBI Hyderabad** presented the various financing schemes beneficial to industries & MSME for implementation of energy efficiency projects. The following topics were discussed:

- SIDBI – A brief profile
- EEF Schemes like Green Finance, 4E Financing Scheme
- ARISE: Assistance to Re – energize capital Investment by SMEs to brownfield / existing entities for undertaking expansion / modernization / capital expenditure.
- STAR, STHAPAN, Partial Risk Sharing Facility (PRSF), Ubharte Sitaare Programme (USP)
- SIDBI - DIGITAL INITIATIVES.

# One-Day Conference on Investment Bazaar for Energy Efficiency

## Discussion from Sagar Cements Ltd

**Mr. Anji Reddy- VP(E&I), Sagar Cements** one of the Designated consumers of Telangana state discussed about the various new energy efficient technologies needed in their plant specially for the high efficiency cyclone for the last stage preheater and waste heat recovery system.

## Presentation from Vijayalaxmi Spintex

**Mr. A Abhishek, Director, Vijaylaxmi Spintex,** MSME shared the potential project for energy efficiency financing - cogeneration system and replacement of the motors.

## Energy Efficiency in Air Conditioning System

**Mr. Bhardwaj, Sales Manager, Chiller from Voltas** stated about various energy efficient chillers & their benefits after implementation.

Also, various OEMs showcased their products & technologies. **Mr. Tigre Ester, Director from Ambiator** showed their Eco-friendly affordable cooling system in dry climate zone.

## One-Day Conference on Investment Bazaar for Energy Efficiency

**Mr. Govind Rao from Triple I Engineering Hyderabad** consultant of waste heat recovery system in cement industries discussed various case studies in WHR technologies for the energy savings.

**Mr. Shailesh Harani from Armec Group India** presented the latest energy saving opportunities in Cooling Towers systems available in the market that can be used for implementation of energy efficiency in industries.

**Mr. Goutham P from Grundfos Pumps** discussed about the Energy Efficiency in Pumps & Intelligent Pumping Solutions. He mentioned the importance of Energy audits to identify the various energy conservation measures in pumping system.

**Mr. Ramesh Kumar R from Godrej & Boyce** discussed about Energy Saving Opportunities in Compressed Air System and how Godrej Control Air Intelligent Flow Control (IFC) System can save energy in compressed air system.

Case Studies on Implementation of energy efficiency in industries & MSMEs, Policies & various financing schemes for investment in energy efficiency were discussed.

### **Stalls showcased by Financial Institutions / OEMs in the Exhibition:**

1. HDFC Bank/Yes Bank
  2. Green Consultants and Energy management Godrej.
  3. Energy Efficient Air Compressed System Godrej.
  4. Triple I Engineering Hyderabad for WHR Technologies.
  5. Ambiator Eco-Friendly Affordable cooling system.
  6. Sirius Solar Energy System Pvt Ltd.
- Total 5 MSME / DCs have submitted the willingness forms - Forms attached.
  - Creation of Awareness to Stakeholders on different financing schemes, EE products/services, ESCO mode of implementation of EE projects.
  - Demonstration of successful implemented EE projects to create inspiration to other stakeholders for implementation.
  - Conference created a common platform to OEMs, ESCOs, Financial Institutions, Industries for implementation of EE projects and sorting of finance requirements.
  - The conference & expo will also create awareness among other stake holders to come up with different EE projects implementation using EE financing platform.

### Outcome of the Investment Bazaar:

- Sagar Cements Limited, Matampally, Suryapet
- Vijayalaxmi Spintex, YADADRI – BHUVANGIRI DISTRICT

During this event 5 Bankable Projects have been identified, the details are given below:

Sr. No.	Name of Industries	Loan Requirement (Rs. in Lakh)	Project detail
1.	Sagar Cement Ltd	3640	<ol style="list-style-type: none"><li>1. Installation of high efficiency cyclone at last in stage preheater.</li><li>2. Installation of high efficiency impeller for cooler ESP Fan.</li><li>3. Installation of high efficiency impeller for Raw Mill Vent Fan.</li><li>4. Installation of WHR Power plant for line 1 Kiln.</li><li>5. Upgrading the compressed air network with Aluminum pipe, regulators, meters, controllers etc.</li></ol>
2.	NCL Industries Limited	1170	<ol style="list-style-type: none"><li>1. Procurement of new Energy Efficiency appliances/ equipment/ technologies</li></ol>
3.	Sanmed Healthcare Private Limited	90	<ol style="list-style-type: none"><li>1. Replacement of old energy intensive appliances with EE appliances</li><li>2. Arrangement of Roof Top Solar Unit</li></ol>
4.	Vijayalashmi Spintex Limited	Yet to be Received	<ol style="list-style-type: none"><li>1. Solar power installation for department lights, workers quarters initially.</li><li>2. A co-generation system to be introduced to minimize operating cost of chiller and boiler.</li><li>3. Replacing high efficiency motors in place of standard motors with proper application will save 2 - 4% of power.</li></ol>
5.	AGI GREENPAC Limited (Formerly known as HSIL Ltd.)	2500	<ol style="list-style-type: none"><li>1. Procurement of new Energy Efficiency appliances/ equipment/technologies.</li><li>2. Replacement of old energy intensive appliances with EE appliances.</li></ol>
